

**IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

JAMES EVERETT SHELTON, individually, and on behalf of all others similarly situated,  Plaintiff,  v.  COMCAST CORPORATION and COMCAST CABLE COMMUNICATIONS, LLC,  Defendants.	Civil Action No. 2:20-cv-01763  Hon. Nitza I. Quiñones Alejandro
---	--

**DECLARATION OF JULIE BUSTA**

I, Julie Busta, hereby declare as follows:

1. I am an associate in the law firm of Akin Gump Strauss Hauer & Feld LLP, counsel of record for Comcast Corporation and Comcast Cable Communications, LLC (“Defendants”) in the above-captioned matter. I am an attorney in good standing admitted to the bar of the Supreme Court of Pennsylvania and am admitted to practice before the United States District Court for the Eastern District of Pennsylvania. I submit this declaration in support of Defendants’ Motion to Compel Individual Arbitration and Stay Proceedings. If called as a witness, I would and could competently testify to all of the following, which is within my personal knowledge.

2. On or about April 14, 2020, counsel for Plaintiff James Shelton (“Plaintiff”) provided Plaintiff’s home address and telephone number to Defendants’ counsel. The address that Plaintiff’s counsel provided was on Covered Bridge Road, King of Prussia, PA 19406, and the telephone number was [REDACTED]-3942.

3. Attached hereto as **Exhibit A** is a true and correct (although redacted) copy of a public records report related to Plaintiff James Shelton, which the undersigned generated on August 17, 2020. According to this report, (*see* pages 1, 2), Plaintiff resides at the address

identified by his counsel on Covered Bridge Road, King of Prussia, PA 19406, along with [REDACTED] and [REDACTED].

4. As can be seen in the foregoing public records report, Plaintiff has no association with the address 16 Catfish Lane, Norristown, PA 19403. *See generally* **Ex. A**.

5. Attached hereto as **Exhibit B** is a true and correct copy of the results for the property records search for Montgomery County for 16 Catfish Lane. According to this record, situated at 16 Catfish Lane, Norristown, PA 19403 is a residence owned by Danon J. Doyle since March 28, 2018.

6. Attached hereto as **Exhibit C** is a true and correct copy of the Commonwealth of Pennsylvania Department of State filings for Final Verdict Solutions. According to this filing, Final Verdict Solutions is registered by James Shelton, with an address on Covered Bridge Road, King of Prussia, PA 19406. The filing also shows that Final Verdict Solutions has been registered at this address since March 7, 2016.

7. Attached hereto as **Exhibit D** is a certified transcription of call recordings provided to the undersigned by Defendants in connection with this matter. The underlying call recordings were kept in the ordinary course of business and are of calls made by Plaintiff on January 29, 2020, to Comcast in connection with Comcast services provided at his address on Covered Bridge Road, King of Prussia, PA 19406.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge. Executed this 17<sup>th</sup> day of August, 2020, in Philadelphia, Pennsylvania.

  
Julie Busta

# EXHIBIT A

**Important:** The Public Records and commercially available data sources used on reports have errors. Data is sometimes entered poorly, processed incorrectly and is generally not free from defect. This system should not be relied upon as definitively accurate. Before relying on any data this system supplies, it should be independently verified. For Secretary of State documents, the following data is for information purposes only and is not an official record. Certified copies may be obtained from that individual state's Department of State. The criminal record data in this product or service may include records that have been expunged, sealed, or otherwise have become inaccessible to the public since the date on which the data was last updated or collected.

Accurant does not constitute a "consumer report" as that term is defined in the federal Fair Credit Reporting Act, 15 USC 1681 et seq. (FCRA). Accordingly, Accurant may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another permissible purpose under the FCRA.

**Your DPPA Permissible Use:** Civil, Criminal, Administrative, or Arbitral Proceedings

**Your GLBA Permissible Use:** Legal Compliance

**Your DMF Permissible Use:** Legitimate Business Purpose Pursuant to a Law, Government Rule, Regulation, or Fiduciary Duty

Shelton/Comcast Call

1 CAMILLE: Thank you for calling X1.  
2 This is Camille. May I please have your first  
3 and last name?

4 JAMES SHELTON: James Shelton.

5 CAMILLE: Hello, James? Good morning.  
6 How may I help you?

7 JAMES SHELTON: I'm trying to watch  
8 Netflix and when I click on the Netflix app, it  
9 doesn't work.

10 CAMILLE: Okay. What exactly do you  
11 mean? It's not letting you in? Does it crash,  
12 or --

13 JAMES SHELTON: It crashed. The app  
14 isn't -- it won't open. I click it and it goes  
15 back to the TV channel.

16 CAMILLE: Okay. That's inside, like  
17 the -- that's inside the X1 platform, right?

18 JAMES SHELTON: I click the Xfinity  
19 button, go to on demand, then go to Netflix,  
20 click that --

21 CAMILLE: Yeah.

22 JAMES SHELTON: -- and it doesn't work.

23 CAMILLE: Okay. Closed down. It won't  
24 open. Let's see. I'm going to ask you to hang  
25 on (indiscernible), okay? Just give me a sec.

1 JAMES SHELTON: Mm hmm.

2 CAMILLE: Thank you. You only have one  
3 cable box, right?

4 JAMES SHELTON: Yep.

5 CAMILLE: Alrighty. Okay. Is your  
6 cable box accessible to you? Because I'm going  
7 to need --

8 JAMES SHELTON: Yes.

9 CAMILLE: -- a serial number. It's at  
10 the very bottom of the cable box on a white  
11 sticker. It'll be labeled TCSN or M Card SN --  
12 something with an SN. It usually starts with --

13 JAMES SHELTON: You don't have my  
14 serial number already from my phone number?

15 CAMILLE: No. I'm really sorry, no,  
16 but --

17 JAMES SHELTON: That's really  
18 inconvenient.

19 CAMILLE: But if it's --

20 JAMES SHELTON: Is there another way --  
21 is there another way that you know how to fix it?

22 CAMILLE: Sure. Of course. Can you  
23 just tell me where the lights are located? Is it  
24 at the side or at the front?

25 JAMES SHELTON: The lights?

1 CAMILLE: The lights on it.

2 JAMES SHELTON: The front.

3 CAMILLE: Okay. Yes, that'll do. Is  
4 it just Netflix that's not opening?

5 JAMES SHELTON: Yes.

6 CAMILLE: Okay. Let's see. Is this  
7 happening just now or has this happened before?

8 JAMES SHELTON: It's happening now. I  
9 don't think it's happened before, to my  
10 knowledge.

11 CAMILLE: Okay. Thank you. Signal  
12 seems to be strong. Let's see. I'm going to  
13 send a signal to the box right now, okay? Just  
14 tell me if you see any changes.

15 JAMES SHELTON: Hold on. The TV's on  
16 right now. I'm watching it. I'm watching TV.

17 CAMILLE: Okay. It might freeze --  
18 anything? Oh, no, it's okay. You don't have to  
19 move anything.

20 JAMES SHELTON: All right.

21 CAMILLE: Okay. Try to access Netflix  
22 now.

23 JAMES SHELTON: Yep. It doesn't work.

24 CAMILLE: Okay. Okay, exit out. And  
25 now you're not inside the Netflix app right now,

1 right?

2 JAMES SHELTON: Yep.

3 CAMILLE: Okay, try to press the A  
4 button on your remote on the --

5 JAMES SHELTON: Yep. I already did  
6 this. I already went into the reset Netflix.  
7 That doesn't -- that doesn't fix the problem.

8 CAMILLE: It didn't. Okay. All right.  
9 Hmm. Now just let me check also the Internet.  
10 Could be the Internet. Hold on.

11 JAMES SHELTON: This is f[REDACTED]ing  
12 bull[REDACTED]t.

13 CAMILLE: Okay. It does say here that  
14 the problem is actually something that is above  
15 my scope of support. But I'm going to go ahead  
16 and get you an agent from our advanced repair  
17 department.

18 JAMES SHELTON: Yeah.

19 CAMILLE: Stay on the line. Hold on.

20 (Pause)

21 KATIE: Hello. Thanks for choosing  
22 Comcast advanced repair. This is Katie. How can  
23 I help you?

24 CAMILLE: Hi, Katie. This is Camille  
25 from X1. I have here Mr. Jim Shelton. He has

1 a problem with Netflix. It won't launch on his  
2 X1 platform. I did troubleshooting and it did  
3 indicate that there was minimal to no  
4 (indiscernible) packet loss. And I was prompted  
5 to transfer.

6 KATIE: Did you create a ticket?

7 CAMILLE: I did. I have here the  
8 ticket number when you're ready.

9 KATIE: Go ahead.

10 CAMILLE: CR889975757.

11 KATIE: All right. 889975757?

12 CAMILLE: That's correct.

13 KATIE: All right. So they're  
14 accessing Netflix on what device? On the  
15 television?

16 CAMILLE: Yes.

17 KATIE: Uh-huh. Is Mr. James Shelton  
18 fully verified?

19 CAMILLE: Fully verified. And I also  
20 have his best callback number as well.

21 KATIE: Which is?

22 CAMILLE: [REDACTED] 3942.

23 KATIE: All right. Thank you so much.  
24 You can send the customer over.

25 CAMILLE: Sure.

1 KATIE: Hello. Is this Mr. Shelton?

2 JAMES SHELTON: Yes.

3 KATIE: Yes, Mr. Shelton. Can I call  
4 you Jim?

5 JAMES SHELTON: Yeah.

6 KATIE: Okay. Thank you, Jim. I'm so  
7 sorry. This is Katie (indiscernible), by the  
8 way, from advanced repair. And I'm so sorry for  
9 the trouble. I was told that you're having an  
10 issue accessing Netflix. Is that correct?

11 JAMES SHELTON: Yeah, I can't -- the  
12 app won't launch.

13 KATIE: Okay. But this is on your  
14 television, right?

15 JAMES SHELTON: Correct.

16 KATIE: Okay. Again, I'm so sorry for  
17 the trouble. But rest assured, sir, this is  
18 already advanced repair and we'll do our best to  
19 get this working tonight for you. Okay?

20 JAMES SHELTON: Okay.

21 KATIE: All right. So I have the  
22 account pulled up and I was given your best  
23 callback number, which is [REDACTED] 3942, if in  
24 case I get disconnected. Is that correct, sir?

25 JAMES SHELTON: [REDACTED] 3942.

1 KATIE: Oh, [REDACTED] 3942. All right.

2 Thank you so much.

3 JAMES SHELTON: Yep.

4 KATIE: Okay. On the -- so we have one  
5 cable box here. How about your Internet service?  
6 Is it working fine?

7 JAMES SHELTON: Yeah. Yeah, it's  
8 working.

9 KATIE: All right. So apart from  
10 Netflix app on the TV, did you try signing into  
11 other applications, if it's working or not?

12 JAMES SHELTON: Yes. I tried to sign  
13 into Amazon Prime video; that worked. You Tube  
14 worked.

15 KATIE: Mm hmm.

16 JAMES SHELTON: Well, it launched HBO.  
17 All that stuff works. But when I click on  
18 Netflix, it like -- okay, that like three bars  
19 thing happens for a few seconds, and then --

20 KATIE: Mm hmm.

21 JAMES SHELTON: -- it just goes right  
22 back to the channel that I'm watching.

23 KATIE: So it did not route --

24 JAMES SHELTON: (indiscernible).

25 KATIE: -- to the sign-in page?

1 JAMES SHELTON: It does not launch.

2 KATIE: Okay. How long you been having  
3 this problem?

4 JAMES SHELTON: Just now.

5 KATIE: Just today? But is the Netflix  
6 included in the package?

7 JAMES SHELTON: I have my own -- I have  
8 my own Netflix account. And I access that  
9 through my app on the TV.

10 KATIE: And the TV, is it a smart TV?

11 JAMES SHELTON: I don't know if that  
12 qualifies as a smart TV. It has an app on it  
13 that I can click on.

14 KATIE: So basically, you're accessing  
15 your Netflix, because you have a direct  
16 subscription with Netflix, so you're not using  
17 Xfinity username to sign in?

18 JAMES SHELTON: Right.

19 KATIE: Correct?

20 JAMES SHELTON: I have my own -- I have  
21 my own Netflix account.

22 KATIE: Okay. All right. So here's  
23 the thing. Because I thought that you have your  
24 package that includes Netflix. But when I verify  
25 the subscription, it doesn't have it. It's only

1 for HBO -- so this is digital --

2 JAMES SHELTON: Okay, listen. Here's  
3 the deal. I just want to launch the app and it  
4 won't launch.

5 KATIE: But the other --

6 JAMES SHELTON: I don't want to --

7 KATIE: -- apps are working.

8 JAMES SHELTON: Yeah. Right.

9 KATIE: Mm hmm. Okay.

10 JAMES SHELTON: So I don't want to talk  
11 about my subscription, if I have a subscription  
12 or not. I just want to talk about why the app  
13 won't open. That's all I want to know is why it  
14 won't open. Seems to be a technical problem.

15 KATIE: All right. Can you press -- do  
16 you have the remote with you, sir? Remote --

17 JAMES SHELTON: Yes.

18 KATIE: Xfinity remote?

19 JAMES SHELTON: Yep.

20 KATIE: All right. Can you press an A  
21 button?

22 JAMES SHELTON: Uh-huh.

23 KATIE: When you press an A button,  
24 there is some troubleshooting menus that will  
25 appear on the screen. Did you see if there's a

1 recent Netflix there?

2 JAMES SHELTON: Yes. I've tried this  
3 like several times already and it has not solved  
4 the problem.

5 KATIE: Okay. You did reset the  
6 Netflix?

7 JAMES SHELTON: While I'm here -- I  
8 went and did it again right now and --

9 KATIE: Hold on. Don't do it yet. I'm  
10 going to send a refresh to the box first.

11 JAMES SHELTON: Okay.

12 KATIE: All right. And then before we  
13 reset Netflix.

14 JAMES SHELTON: Okay.

15 KATIE: But we don't have an issue with  
16 Internet service?

17 JAMES SHELTON: No. The Internet's  
18 working just fine.

19 KATIE: Okay. I see. This phone that  
20 you're using, sir -- sir, here's the thing. I  
21 need to reset the modem as well because it seems  
22 it hasn't been reset --

23 JAMES SHELTON: Okay.

24 KATIE: -- for quite a long time.

25 JAMES SHELTON: Yeah, the TV just went

1 off.

2 KATIE: All right. Are you --

3 JAMES SHELTON: So, did you --

4 KATIE: -- using your home phone or  
5 your cellphone?

6 JAMES SHELTON: Cellphone.

7 KATIE: Cellphone. Okay, we'll go  
8 ahead and reset the modem as well, because this  
9 might --

10 JAMES SHELTON: Okay.

11 KATIE: -- be the -- what's causing the  
12 problem.

13 JAMES SHELTON: All right. Yeah, the  
14 TV's restarting, it looks like.

15 KATIE: Mm hmm. So we're going to wait  
16 for the modem to get back online. We're going to  
17 wait for the --

18 JAMES SHELTON: Yep.

19 KATIE: -- TV to get back up and  
20 running. And then we'll relaunch Netflix.

21 JAMES SHELTON: All right.

22 KATIE: Anyway, so Internet works fine.  
23 It's just that -- there's a lot of channels, so  
24 only on the application which is affecting  
25 Netflix right now.

1           We've already created a reference  
2     ticket number for you, Jim. If you'd like to  
3     take note, I can give it to you. But if you  
4     don't have a pen and paper to write on, that's  
5     okay.

6           JAMES SHELTON: We can come back to  
7     that if it's still an issue.

8           KATIE: Okay. Yes, sir. And I would  
9     also like to know, sir, if you have set up your  
10    account online on Xfinity.com? If you've  
11    downloaded the My Account app?

12          JAMES SHELTON: Yeah --

13          KATIE: You have? All right.

14          JAMES SHELTON: I set up the account  
15    before online. I don't have the app on my phone.

16          KATIE: Mm hmm.

17          JAMES SHELTON: Do I use that?

18          KATIE: Well, that's the same Xfinity  
19    account on the website. It's just that it's more  
20    accessible if you have it on your phone, right,  
21    if it's an application on your phone. But  
22    basically --

23          JAMES SHELTON: Right.

24          KATIE: -- same functionality, so you  
25    can -- that's where you can manage your account

1 on the website, if you want to check your account  
2 information, want to make changes, want to set up  
3 an appointment. That's what you can do on the My  
4 Account.

5 Also, I would like to let you know  
6 about the Wi-Fi, xFi app. That's where you can  
7 troubleshoot on your Wi-Fi service. That's also  
8 --

9 JAMES SHELTON: Correct.

10 KATIE: -- on the application. All  
11 right. So we'll just -- I'm going to run a test  
12 as well here. I'm going to check with the status  
13 of the modem and then the TV most likely is on  
14 the restarting screen.

15 JAMES SHELTON: Yeah, it's doing the  
16 restart right now.

17 KATIE: All right.

18 JAMES SHELTON: All right. It says  
19 connecting --

20 KATIE: Mm hmm.

21 JAMES SHELTON: -- to your  
22 entertainment.

23 KATIE: All right. So the modem is now  
24 showing online, so most likely it's going to set  
25 already. All right. And now, let's go ahead and

1 check the --

2 JAMES SHELTON: Yeah. It just booted  
3 back up.

4 KATIE: -- TV.

5 JAMES SHELTON: Yep.

6 KATIE: Okay.

7 JAMES SHELTON: It's back up. So  
8 should I go back into Netflix?

9 KATIE: Oh, if you're getting live  
10 channels, yes, you can go to the app.

11 JAMES SHELTON: Let me see if that  
12 works. Looks like it's working now.

13 KATIE: It's working?

14 JAMES SHELTON: Yeah, it looks like  
15 it's -- looks like it's coming on. Let me see  
16 here. Yeah. Think that did the trick.

17 KATIE: All right. Yes, sir. Because  
18 that -- since it's an application on your TV,  
19 they'll also require Wi-Fi connection. Some are  
20 connected if you're using your TV. So apparently  
21 what's causing it is the modem, which hasn't been  
22 reset for like more than a month. Actually, it's  
23 40 days.

24 So you really need to refresh the  
25 connection and then when you reconnect it back to

1 the app --

2 JAMES SHELTON: How fast -- do you guys  
3 automatically refresh the connection?

4 KATIE: No. No, actually, no.

5 JAMES SHELTON: No?

6 KATIE: But we will suggest to have it  
7 reset on your end by going to the website.  
8 There's a reset option there. Or you can  
9 physically power cycle the modem by unplugging  
10 the -- replugging the power cord. At least a  
11 week.

12 JAMES SHELTON: All right. Okay.

13 KATIE: All right.

14 JAMES SHELTON: Thank you.

15 KATIE: You're welcome. Is there  
16 anything else I can assist you with today?

17 JAMES SHELTON: That's it. Thank you  
18 so much.

19 KATIE: You're most welcome, Jim. And  
20 thank you also for choosing Comcast. We really  
21 value your business. Goodnight and take care.

22 JAMES SHELTON: Yes. Goodnight. Bye-  
23 bye.

24 KATIE: Bye now.

25
